

ASGK February Board Meeting
March 4, 2026
Location: JFC Library
Attendants: Julia, Lori, Michelle, Sarah, Lauren, Amina
Meeting called to order. Start time: 11:36

President (Sarah):

- Bingo night was a huge hit!! Thank you Tara for your passion project! Looking forward to May (date TBD due to international fest)

Considering May 7th for Combined MWA/ASGK event. Waiting on O'Keefe for confirmation. Talked about keeping theme as BINGO instead of Bunco. Will plan for bigger space at next visit, have our own staff for food/drink line. Tara to take lead on next combined event.

Treasurer (Tara):

- no updates noted

Parliamentarian (Julia):

- Nominations are open!
 - Known needs:
 - PUBLICITY. What's else?
 - *publicity would be best as a committee
 - *membership, hospitality
 - Who can we ask? Who is going to do that?
 - Goal is to have all positions filled by 3/25
- Next year is the year we update bylaws. Please take a look and let me know if you have any thoughts/adjustments:
 - I'm going to keep a running "comment/edit" version for easy updating later.
 - [UpdateEdit2026-2027 ASGK BYLAWS _ signedNEW2025](#)

Bylaws currently state that advisor must be stationed at GK, but would like to update to include USAG/JFC. Will need to run by O'Keefe for confirmation this would be okay.

**Julia to check on USAG private org paperwork next week

Secretary (Lauren):

- Please review the upcoming ASGK calendar for March/April below and let me know if I missed anything please

Membership (Lori):

- Thoughts on partnering with MFRC to rework Spouse Connection/ have our Coffee and Convo take over that time slot?

April 21st Coffee and Conversation @ NATEX prior to spring market meeting *note location change

Hospitality (Amina):

- Question: Are we changing the date for Barbie Bunco? And are we keeping May a member only event or open to all?

March event - needs help with games. Will plan for a BINGO type intro with picture evidence, Musical chairs, then Fish Bowl or Telestrations/Telephone, and minute to win it type game

April event Barbie themed

May event members only, offered for next year's members to be included in this. Discussed provided full dinner instead of gift, yard games (cornhole, ladder ball), possible bull riding or line dancing lesson

Lori brought up reducing number of raffles next membership year due to lower membership numbers and higher goods cost.

Volunteer (Jen):

- Bagging at the Commissary this Sunday, thanks to everyone who has signed up! Still have a few open slots!
- March childcare sign up is full and already have met childcare requirements

Publicity (Julia/Jen):

- Spring Market: how much Market Money do we want to give away? Need to print some for March event.
- Working on getting flyers printed. Zach is looking into banners.

Giving away 150 in market money. Picking up banners from Zach tomorrow and printed flyers for distribution

Scholarships (Michelle):

- Confirmed Colonel Poe and Mr. Berlin for Scholarship Graders - Does anyone know Penny Schatteman - Works for CYS and was a grader last year - Any thoughts on adding her to the group?
- No applicants yet - did adjust the scholarship google form to include a link to an example community service hours worksheet.
- Did have one recipient from a previous year ask if they were still eligible to apply again?

Sarah recommended asking Svetlana or Cosima at GK MFRC for a grader.

Michelle would like to discuss adding to bylaws or other scholarship requirements warning next year that scholarship will not be awarded to someone with a full ride.

Historian (Brittany):

- Can someone commit to taking photos during the March event and upload them to the drive? (I am unable to make it that night)

Yes we will take pictures!!
